DOCKET NO. 88-11-E - ORDER NO. 90-1095 ✓

NOVEMBER 16, 1990

IN RE:	Application of Carolina Power &	)	ORDER
	Light Company for Increase in	)	GRANTING
	Rates and Charges	)	MOTION

On October 19, 1990, Carolina Power & Light Company (CP&L) filed a Motion for an Extension of Time to file compliance tariffs in the above captioned docket. CP&L requests that the Commission extend the deadline for the filing of compliance tariffs pursuant to Order No. 90-867 in the above captioned docket to coincide with the date compliance tariffs are expected to be required in the Commission's pending order in CP&L's fuel adjustment proceeding, Docket No. 90-4-E. In order to avoid unnecessary confusion, CP&L desires to issue a single set of tariff sheets which reflect the Commission's separate decisions in Docket Nos. 88-11-E and 90-4-E, since each change in rates will become effective October 1, 1990.

The Commission finds that CP&L's Motion should be granted.
